Answer

MINISTER OF URBAN DEVELOPMENT & POVERTY ALLEVIATION (SHRI JAGMOHAN)

(a)&(b): As per the information provided by Chandigarh Aministration, presently, trades in Chandigarh are classified under three major categories viz.`General trade`, ` emi Industrial trade` and `Special trade`. Their domains are defined under a schedule annexed to the Chandigarh (Sale of Sites and Building) Rules, 1960.The Chandigarh Administration has informed that the domains of these trades are being examined so as to put them under two categories instead of three categories. With the proposed change, the conversion of trade would be liberally allowed subject to payment of due conversion charges.
